

COMPANY OVERVIEW

Make the Point Logistics is a specialized logistics brokerage firm centered around fostering connections. We excel in bridging the gap between our clients with shipping needs and our extensive network of carriers, comprised predominantly of owner-operators and fellow small business owners. This unique network enables us to deliver efficient, cost-effective transportation solutions, streamlining the movement of goods seamlessly.

CORE COMPETENCIES

Freight and Cargo Proficiency: Our deep understanding of freight and its transport machinery enables us to adeptly address your specific needs. We excel in tailoring solutions that precisely match your cargo requirements.

Brokerage Solutions: Serving as architects of efficient transportation solutions, we blend expertise, resources, and advanced tools seamlessly to connect shippers with carriers. Our innovative approach ensures customized, effective solutions to logistical challenges.

Dispatch Services: Providing carriers with invaluable tools and resources, we streamline operations for enhanced efficiency. Our focus on dispatch optimization empowers carriers, enabling smoother operations and improved logistics performance.

DIFFERENTIATORS

Client-Centric Focus: We prioritize relationships over transactions and every interaction is a collaborative endeavor. We proactively seek feedback, listen attentively, and focus on individual needs, crafting solutions that not only overcome challenges but also elevate client satisfaction.

Ethical Foundation - Integrity at Our Core: We anchor our operations on fostering relationships built on trust transparency, honesty, and trust. We aim to cultivate enduring partnerships based on ethical practices and mutual respect.
